*****CAR SHOW PROMOTION*****

Dear Valued Guest,

As warm weather approaches, Valley View will be opening for its' 78th season. Once again we are anticipating providing you with family naturist activities and entertainment. Our **34th annual Nude Car Show** this year is from August 11th through 13th, featuring food, two live bands, raffles, commemorative merchandise, and of course, cars on display. During the weekend guests cast ballots for their favorite vehicle. Yours should be among them.

Please consider bringing your vehicle to display in 2023. As an added incentive for you to join us with your display vehicle, this year we will be awarding your choice of a free day pass or a \$10 Valley View merchandise gift certificate to each car owner who participates in our Sunday car parade.

It is our hope that you will join us to make this year's Nude Car Show the best ever! We look forward to seeing you again this summer.
